

The New Hampshire Association of Broadcasters

Student Broadcaster Scholarship Program

Our Association is committed to encouraging students who are interested in the radio and/or television industry to enroll as a secondary education student to further their education.

Students interested in a career in over-the-air broadcasting are encouraged to apply for a scholarship from the New Hampshire Association of Broadcasters.

Who is the New Hampshire Association of Broadcasters?

Established in 1954, the New Hampshire Association of Broadcasters is a non-profit trade association for over-the-air radio and television stations in New Hampshire. Alongside supporting those already in the industry, the New Hampshire Association of Broadcasters aims to promote broadcasting as a viable and opportunistic career choice.

Who should apply for the Student Broadcaster Scholarship?

Students who are permanent residents of New Hampshire and are in the process of enrolling, or are currently enrolled, at an accredited institution of higher learning are encouraged to apply for a **\$2,500 scholarship**. Such institutions include vocational schools, 2- or 4-year colleges or universities offering degrees in radio and television broadcasting. Applying students must meet their school's status of a full-time student. The school does not need to be within the Granite State.

In 2009, the Al Sprague Memorial Scholarship was established to honor the former President of the New Hampshire Association of Broadcasters. Mr. Sprague left his mark on broadcasting in the Granite State and to honor his legacy,

one **\$5,000 scholarship** will be awarded annually to the student who shows the most promise in industry advocacy, leadership and entrepreneurship.

How will award recipients be selected?

The selection process for scholarships will take into account such factors as financial need, academic merit, community service, extra-curricular activities, and work experience.

Highest priority will be given to students with the most limited financial resources. Student applications are reviewed and selected by broadcasters who are participating members of the New Hampshire Association of Broadcasters Student Broadcaster Scholarship Program.

How and when are awards disbursed?

Scholarship payments will be made payable to both the student and the school and will be awarded in time for the 2011 fall semester. Students receiving a scholarship will be contacted by phone and a check presentation will be arranged at a station in their neighborhood. Letters of regret are sent to those students who have not been awarded aid.

What is the application process?

Please complete the enclosed application and return it to the New Hampshire Association of Broadcasters at 707 Chestnut Street, Manchester, NH 03104, postmarked by Friday, April 1, 2011.

The New Hampshire Association of Broadcasters will not be held responsible for materials mailed separately. Applications that are incomplete, faxed, late, or emailed will not be considered.
